AN INVITATION FROM KINGS HILL U3A

Kings Hill and District U3A have organised a trip to Potters Resort, Hopton On Sea, Norfolk.

This venue has been graded the first 5 star Holiday Village in UK.

We are going for 4 nights from Monday 1st June to Friday 5th June 2020

This is a popular activity resort which has a special department managing group visits such as U3As. We have spoken to many individuals who have visited with other U3A groups and they all recommend the venue as providing a wide range of activities e.g. swimming, craft workshops, ten pin bowling, tennis, dancing, bowls, Segway, archery and walking routes. Good food with up to four meals a day, entertainment or just walking on the beach.

We have a few places in double and twin bed accommodation available

Provisional cost will be £320 approx. but this may change according to numbers. This price includes full board and all activities.

Transport is not included and you can make your way in your own vehicle. If enough people would like to travel by coach this will be arranged but the cost will be extra.
