

G D
I don't know if you can see,
Em C
The changes that have come over me.
G D
In these last few days I've been afraid,
Em C
That I might drift away.....
G D
I've been telling (old) stories, singing songs,
Em C
That make me think about where I've come from.
G D
And that's the reason why I seem
Em C
So far away today.

G D
Oh, let me tell you that I love you,
Em C
That I think about you all the time.
C G
Caledonia you're calling me,
D G
Now I'm going home.
G D
But if I should become a stranger,
Em C
Know that it would make me more than sad,
C D G
Caledonia's been everything I've ever had.

G D
Now I have moved and kept on moving,
Em C
Proved the points that I needed proving,
G D
Lost the friends that I needed losing,
Em C
Found others on the way.....
G D
Oh I have tried and kept on trying
Em C
Stolen dreams, (yes) there's no denying,
G D
I've travelled hard (sometimes) with conscience flying,
Em C
Somewhere with the wind.....

G D
 Oh, let me tell you that I love you,
 Em C
 That I think about you all the time.
 C G
 Caledonia you're calling me,
 D G
 Now I'm going home.
 G D
 But if I should become a stranger,
 Em C
 Know that it would make me more than sad,
 C D G
 Caledonia's been everything I've ever had.

instrumental

G D
 Now I'm sitting here before the fire,
 Em C
 An empty room, a forest choir,
 G D
 The flames have cooled. they can't get any higher,
 Em C
 They've withered, now they've gone.....
 G D
 But I'm steady thinking my way is clear,
 Em C
 And I know what I will do tomorrow,
 G D
 When hands are shaken, the kisses flowed,
 Em C
 Then I will disappear.....

G D
 Oh, let me tell you that I love you,
 Em C
 That I think about you all the time.
 C G
 Caledonia you're calling me,
 D G
 Now I'm going home.
 G D
 But if I should become a stranger,
 Em C
 Know that it would make me more than sad,
 C D G
 Caledonia's been everything I've ever had. (repeat last chorus)
