CAPO 2

Intro.      C    ./      Em    ./                      C    ./      Em    ./

Verse      C                      ./                      Em    ./  
Summer's end's around the bend just, fly-----ing

            C                      ./                      Em    ./  
The swimming suits are on the line just, dry-----ing

            F                      ./                      G        ./  
I'll meet you there per our conversa-----tion

            F                      ./                      G        ./  
I hope I didn't ruin your whole vaca-----tion

Verse                      C                      ./                      Em    ./  
Well you never know how far from home you're, fee-----ling

            C                      ./                      Em    ./  
Until you watch the shadows cross the, cei-----ling

            F                      ./                      G        ./  
Well I don't know but I can see it snow-----ing

            F                      ./                      G        ./  
In your car the windows are wide o-----pen

Chorus                      C                      ./                      Am        ./  
Just Come on home                      Come on home

                            F    ./      G        ./  
No, you don't have to be alone

                            C    ./      Em    ./  
Just come on home

Interlude      C    ./      Em    ./

Verse            C                ./                                Em        ./  
 Valentines break hearts and minds at, ran-----dom

                  C                ./                                Em        ./  
 That ol' Easter egg ain't got a leg to, stand-----on

                  F                ./                                G        ./  
 Well I can see that you can't win for try-----ing

                  F                ./                                G        ./  
 And New Year's Eve is bound to leave you cry-----ing

Chorus            C                ./                                Am        ./  
 Come on home                                Come on home

                  F        ./        G        ./  
 No, you don't have to be alone

                  F        ./        G        ./  
 Just come on home

Interlude        F        ./        G        ./

Verse            C                ./                                Em        ./  
 The moon and stars hang out in bars just, talk-----ing

                  C                ./                                Em        ./  
 I still love that picture of us, walk-----ing

                  F                ./                                G        ./  
 Just like that ol' house we thought was haun-----ted

                  F                ./                                G        ./  
 Summer's end came faster than we wan-----ted

Chorus            C                ./                                Am        ./  
 Come on home                                Come on home

                  F        ./        G        ./  
 No, you don't have to be alone

                  C                ./                                Am  
 Come on home                                Come on home

                  F        ./        G        ./  
 You don't have to be alone

                  C                                C / 1 beat & stop  
 Just come on home
